To everyone at Suburban Insulation,

It is with sincere thanks that we write this letter in appreciation of your donation of gutters (Ref. invoice# 2666217) at the home built by Homes for Our Troops for SPC James Fair.

We are grateful for the thousands of donors supporting our mission, but we are especially appreciative of people like you who are able and willing to donate home construction materials and labor talents to make the dream of home ownership possible for James and his family. Receiving this donation will allow us to stretch our monetary donations further so we can build even more homes across the country.

The men and women of our military make sacrifices every day to keep America safe and together we can make sure they are not forgotten. Through the kindness and generosity of supporters such as you, we are able to pursue our mission of building specially-adapted homes for our soldiers who become disabled while serving our country.

Again, thank you for your generosity and support.

Sincerely,

Thomas Benoit  
VP / CFO
